

# Lacq Nourishing Floor Soap

Lacq Nourishing Floor Soap is a cleaner for daily use on a floor treated with Lacq Rapidoil 2C. Thanks to the Nourishing Floor Soap's essential ingredients, you give your floor the attention it needs. The Nourishing ingredients in the Lacq Nourishing Floor Cleaner mean that you can clean and care for your floor in one treatment. Lacq Nourishing Floor Soap is pH neutral and fully biodegradable.

## Applicable to/on:

- Floors treated with Lacq RapidOil 2C.

Lacq Nourishing Floor Soap is specially developed for cleaning and care of floors treated with Lacq Rapidoil 2C, but is also suitable for cleaning all other water-repellent floors. Dries without streaks or residue and results in a shiny, well-groomed floor.

## Processing:

1. Depending on the pollution, dose 30 - 60ml in a (mop) bucket.
2. Clean the floor with a flat mop.

*Pay attention! Do not mix with other chemicals. And can cause an allergic reaction.*

*Pay attention! Always put on a sample first to see if you get the desired finish. This can differ per wood type.*

## Coverage:

About 30-60 m<sup>2</sup> per liter.

*Pay attention! Efficiency always depends on the structure, suction of the wood, the thickness of the layer, the tools used and the conditions of application.*

## Available quantities:

1L.

## Shelf life:

2 years in original unopened packaging, frost-free, in a dry place (temperature between 5 °C and 35 °C). Avoid freezing during transport and storage.

## Safety information:

For detailed safety information, please consult the MSDS.  
MSDS is available on [www.lacq.eu](http://www.lacq.eu).
